Alpena Alcona Area Credit Union Oscoda Branch Donates to Oscoda Education Opportunity Foundation

Oscoda, MI — Alpena Alcona Area Credit Union's (AAACU) Oscoda Branch hosted a fundraiser for the Oscoda Education Opportunity Foundation during the first quarter of the year. The Oscoda Education Opportunity Foundation was founded in the early 1990s by a group of teachers and administrators from Oscoda Schools. Their goal was to fundraise and leverage the resources of the community to provide scholarships to graduating students in pursuit of higher education. Since its founding it has grown to a fund of over \$1 million for scholarships for students and offers additional financial support for educators and educational opportunities in the Oscoda area.

From January through March, \$327.82 were raised for the foundation. Members could donate \$1 to put their name on the wall and be entered to win a Spotify gift card and a Bluetooth speaker.

AAACU is a state-chartered credit union with membership eligibility open to any resident in the state of Michigan. As of March 31, 2025, AAACU provides service to 48,198 members with total assets equal to \$881,801,858.
