Alpena Alcona Area Credit Union facilitates Financial Literacy Days at Alcona Elementary School

Alcona, MI—Alpena Alcona Area Credit Union (AAACU) staff recently visited Alcona Elementary School to facilitate Financial Literacy Days along with the MSU extension. Over two days in early March AAACU staff met with students in the Alcona Elementary School Library to teach them about financial literacy. The students in attendance spanned six different classes and multiple grade levels.

The credit union is proud to work closely with our area schools to provide students with financial literacy education and help them prepare for the future. Opportunities like these give AAACU the chance to put our mission to be our members' financial partner for life into action.

AAACU is a state-chartered credit union with membership eligibility open to any resident in the state of Michigan. As of February 28, 2025, AAACU provides service to 48,104 members with total assets equal to \$879,928,896.
